A screenshot of the Farmobile web dashboard. The top navigation bar is orange and contains icons for MACHINES, FIELDS, INPUTS, and DATA. A dropdown menu is open under the FIELDS icon, with the 'Reports' option highlighted by an orange arrow. The left sidebar shows a list of PUCs (Precision Use Cases) with status indicators (online or offline) and timestamps. The main area displays a topographic map of a rural area with roads like Memphis Rd, Newport Rd, Oxford Rd, and Pelia Rd, and water bodies like Pettibone Branch. The URL at the bottom is 'https://dashboard.farmobile.com/fields/reports'.

Step 1 — Receive Reports via email

- From your Farmobile Dashboard acct, navigate to the Reports section under the Fields tab
