INTRODUCTION

- Select Activity Type from the following options:
  - Machine, Plant, Spray, Spread, Harvest, and Forage
- Select a day that to view the Daily Activity.
- Toggle on an attribute and watch it draw on the map to review.

## Step 1 — Select Machines from the Farmobile DataEngine℠ Menu
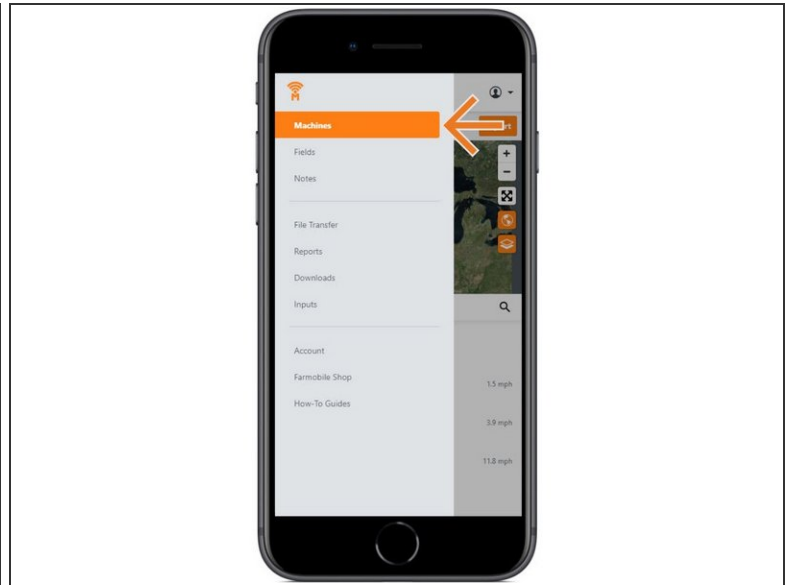

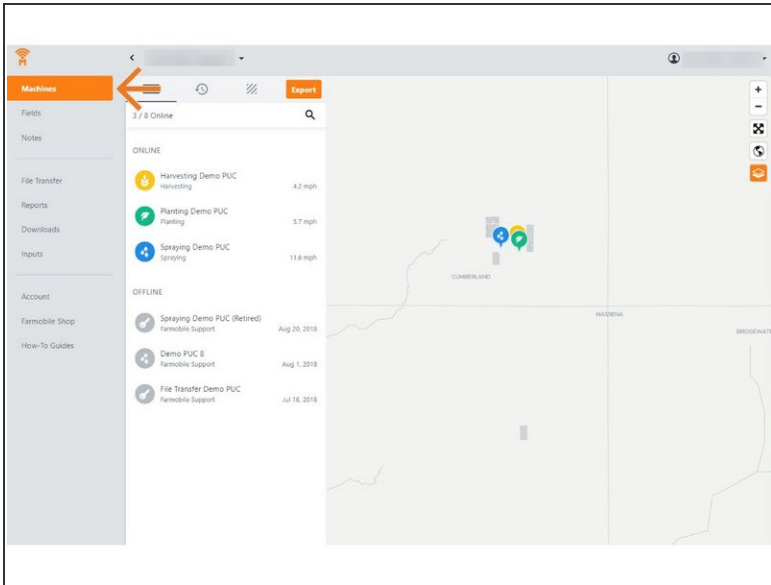

- Selecting Machines from the Farmobile DataEngine℠ menu will open the Machines page with all of your PUC™ listed and displayed on the map.

Step 2 — Select Heatmaps
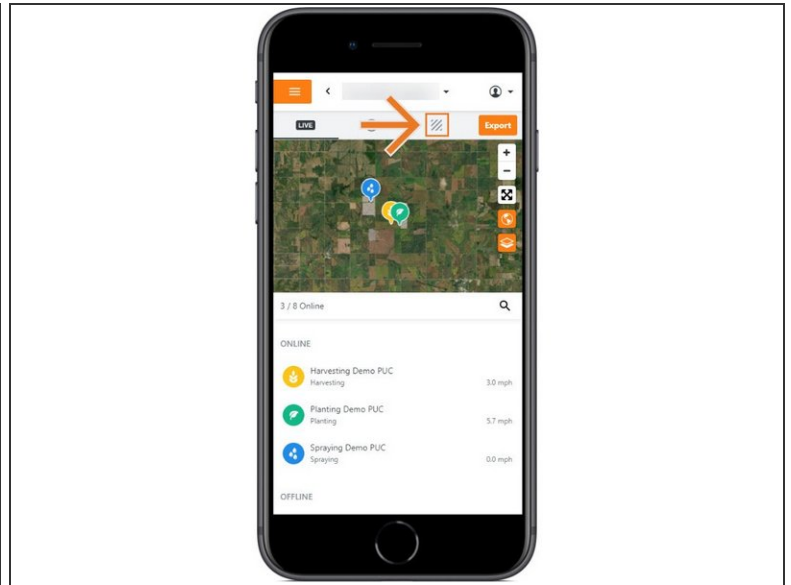

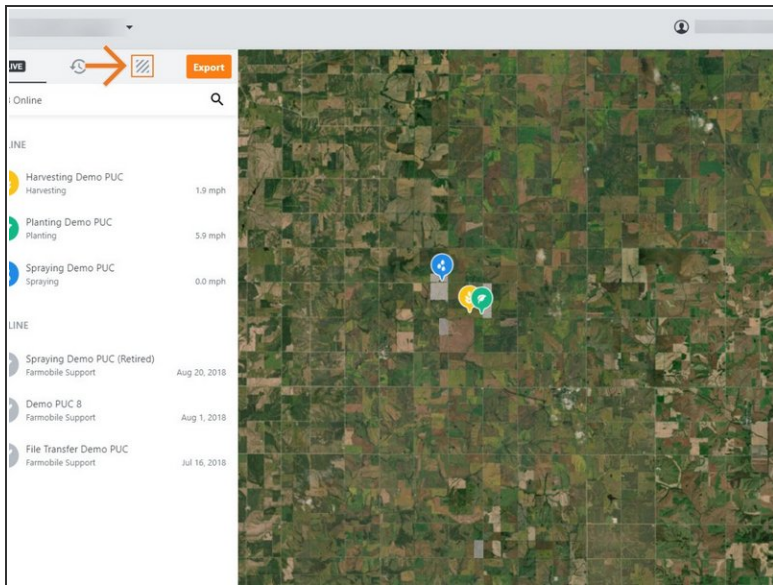

- This will open the Heatmap view.

- At the Grower level, your Heatmaps will display daily activity for all PUCs that match your activity type and date selections.

- At the Machine level, your Heatmpas will display the daily activity for only that PUC.

Step 3 — Select Activity
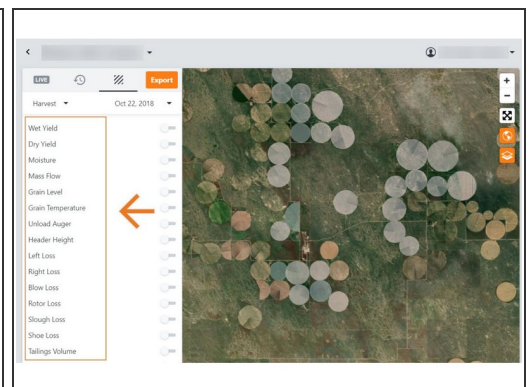

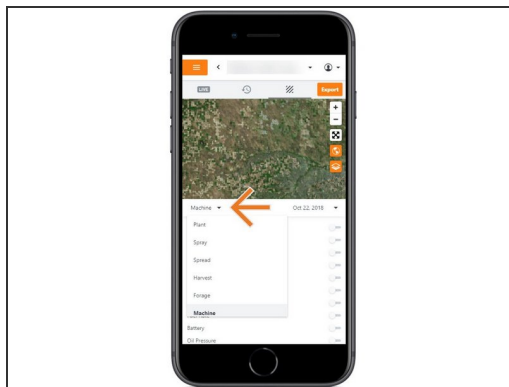

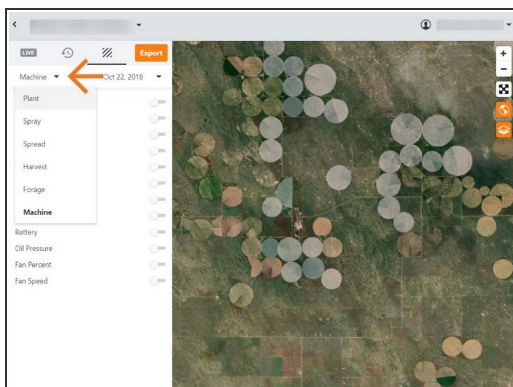

- Select which Activity type to view on the Heatmap.

- Selecting the Activity Type will update the list of attributes you can display.

This document was generated on 2022-01-20 07:36:59 AM (MST).

## Step 4 — Select Date
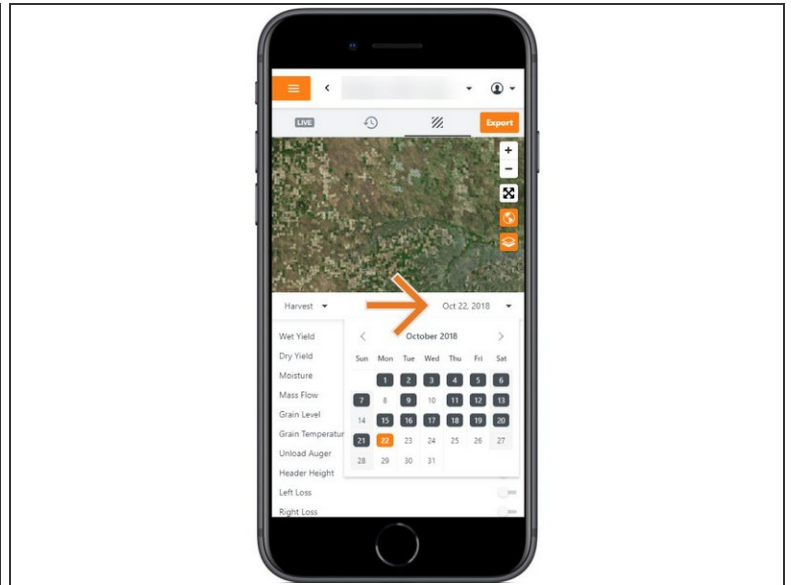

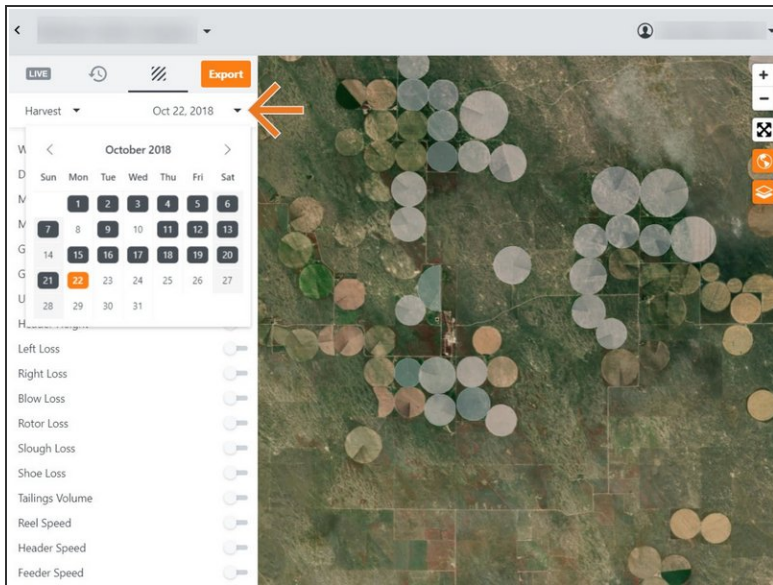

- Select the Date Picker to view the calendar.

- The calendar displays the current day in orange.

- All days containing the previously selected Activity Type are displayed as black.

- Select a day to view your Daily Heatmap.

Step 5 — Toggle On Attribute

- Toggle on the Attribute you want to display on the Heatmap.

- If we didn't capture data for that attribute a grey machine path will be displayed.

- The map and legend will update to display the Heatmap of the selected attribute.

- The Heatmap displays everywhere your PUCs worked that day!

- **Mobile:** For mobile you can select the Full Extent button (located directly under Zoom In / Zoom Out buttons) to view the map and legend in full extent.
