

# Edit Device Name

Manage your Farmobile PUC™ devices and rename your device name following the easy steps.

Written By: Support

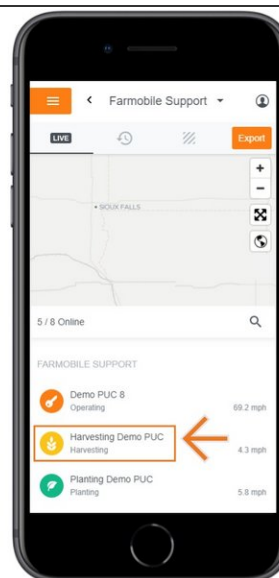

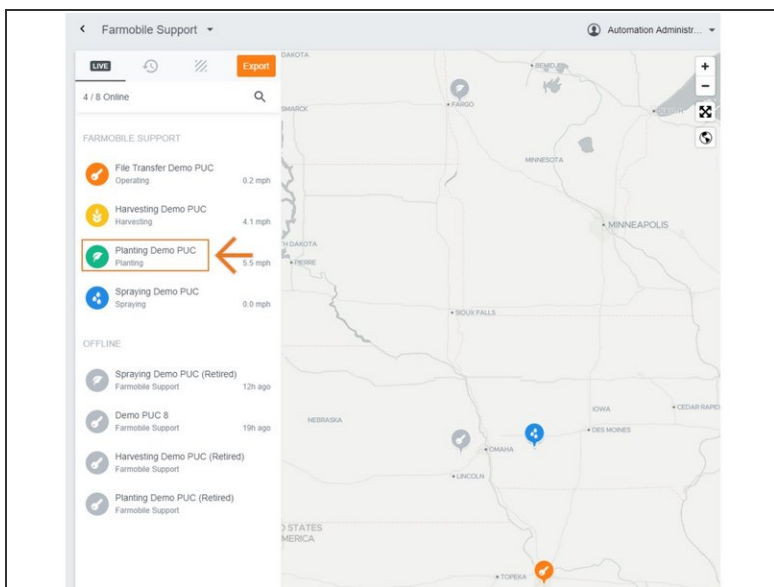

## Step 1 — Select Machines from the Farmobile DataEngine<sup>SM</sup> Platform

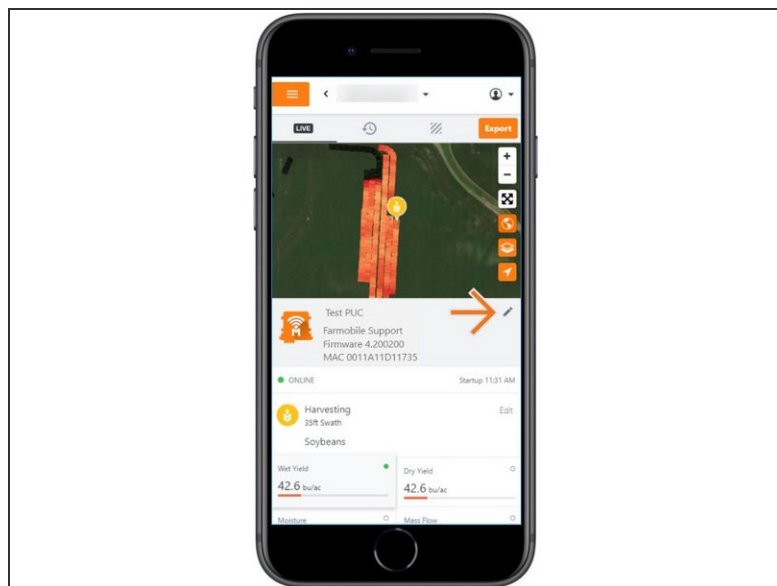

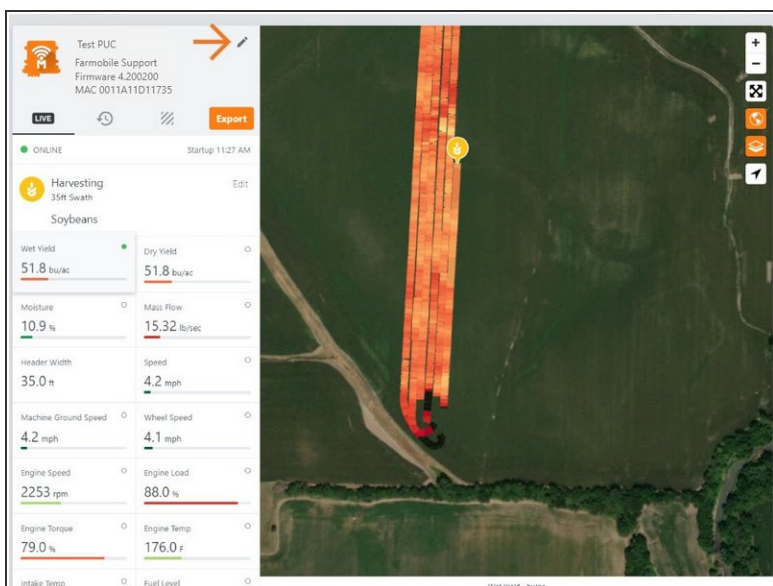

- Selecting Machines from the Farmobile DataEngine platform will open the Machines page with all of your Farmobile PUC<sup>TM</sup> devices listed and displayed on the map.

## Step 2 — Select a Machine

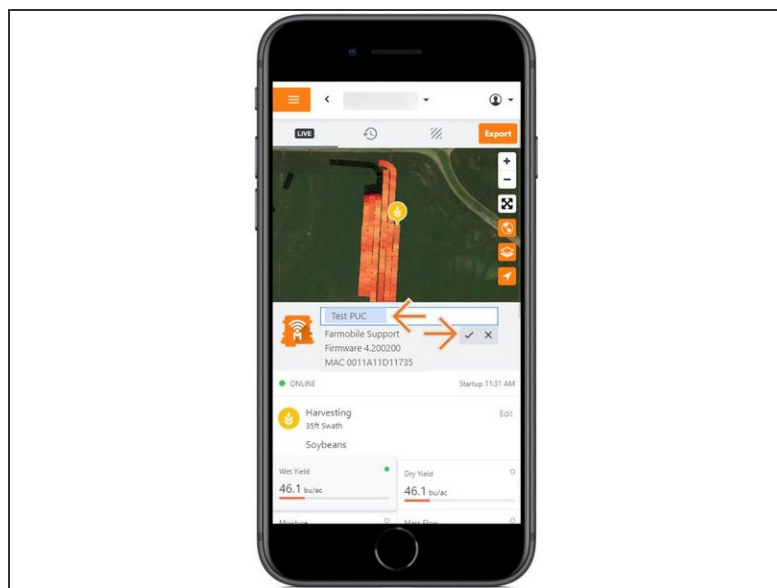

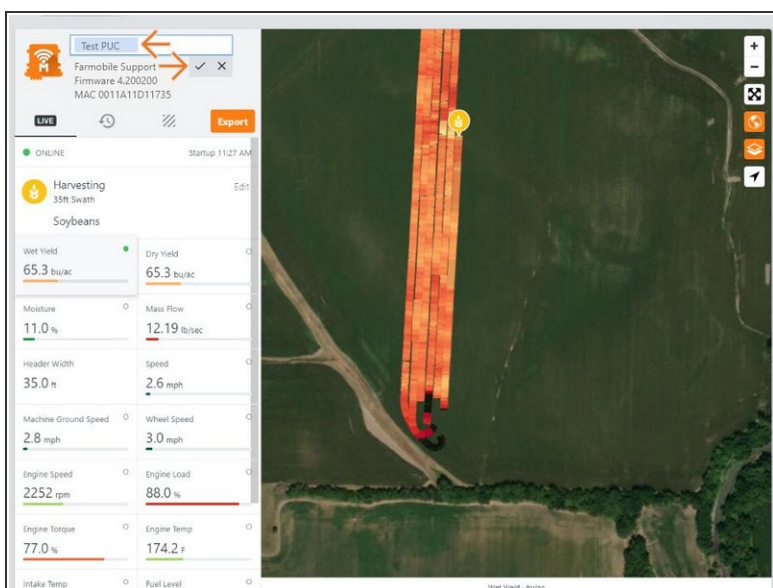

- Select a machine to open the machine details page.

## Step 3 — Select Edit

- Select the Pencil icon next to the Farmobile PUC device name to enable the edit feature.

## Step 4 — Update the Farmobile PUC Device Name & Save

- In the text box, type in the new device name.
- Select the checkbox icon to save the new name.
- Select 'X' to cancel the update.
