

# Add New Farm

Create a New Farm to organize and manage your fields.

Written By: Support

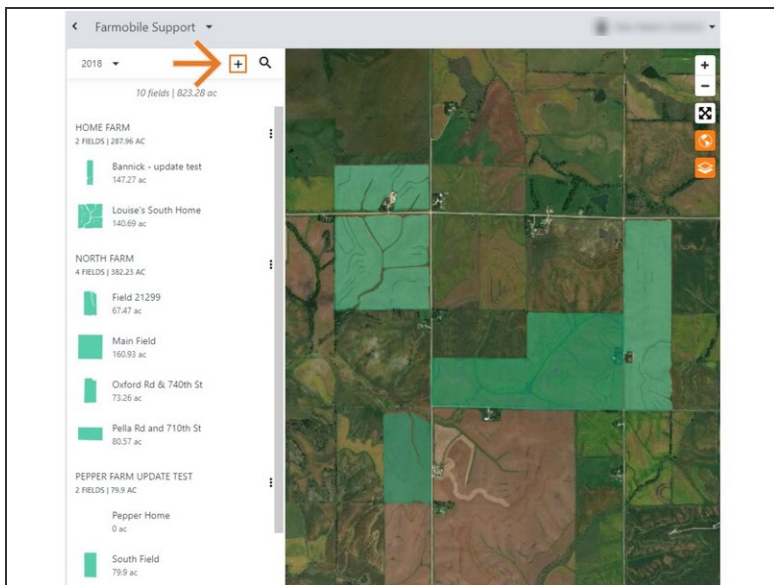

## Step 1 — Select Fields from the Farmobile DataEngine<sup>SM</sup> Platform

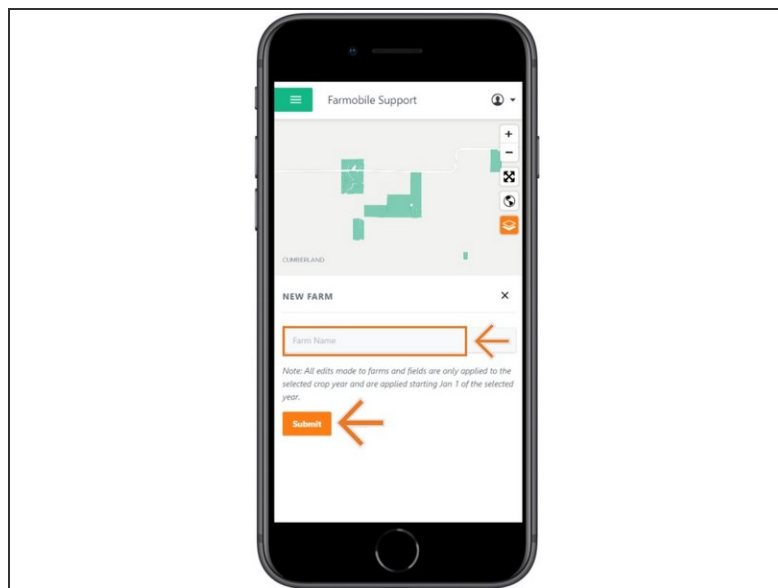

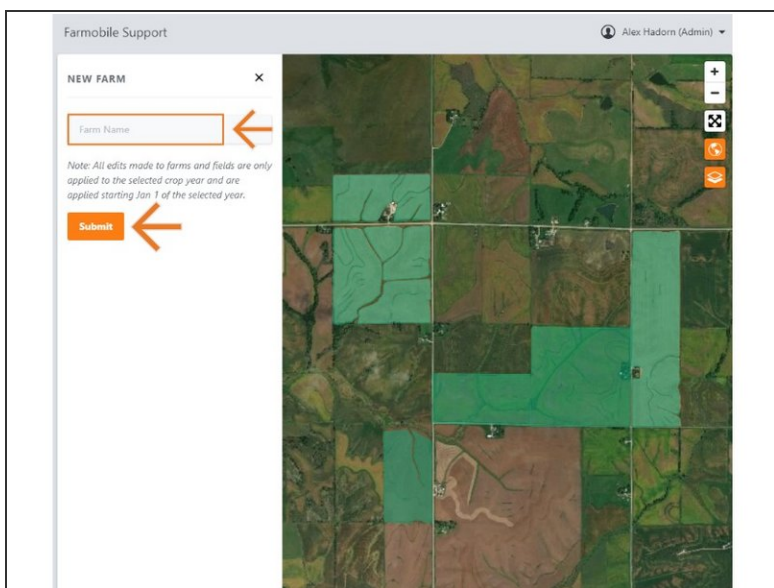

- Selecting Fields from the Farmobile DataEngine account will open the Fields page with all of your farms and fields listed and displayed on the map.

## Step 2 — Select Add New Farm

- Select the '+' icon to open the 'Add New Farm' window.

## Step 3 — Enter the Farm Name and Submit

- Type the new farm name in the text box.
- Once your farm is created, you can then add new fields to the farm.
- Select 'Submit' to add your new farm.
