

# Edit Field Name

Edit a Field Name to keep your records up to date.

Written By: Support

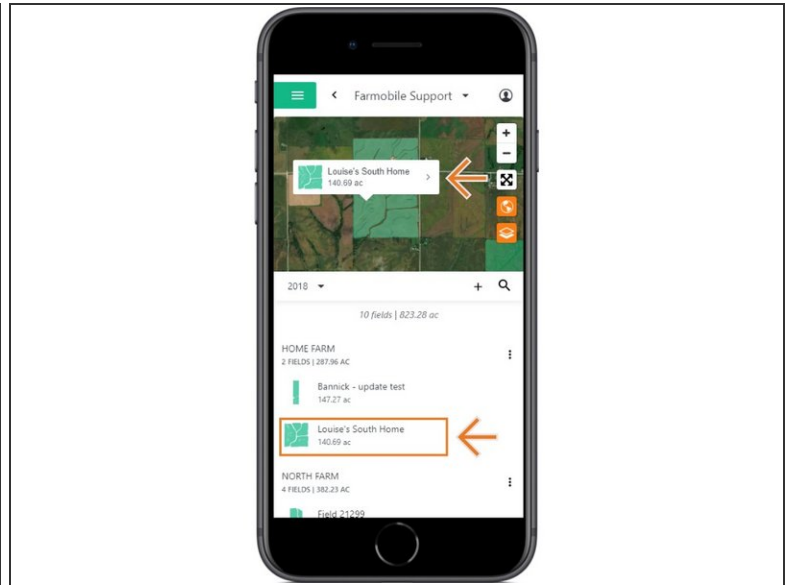

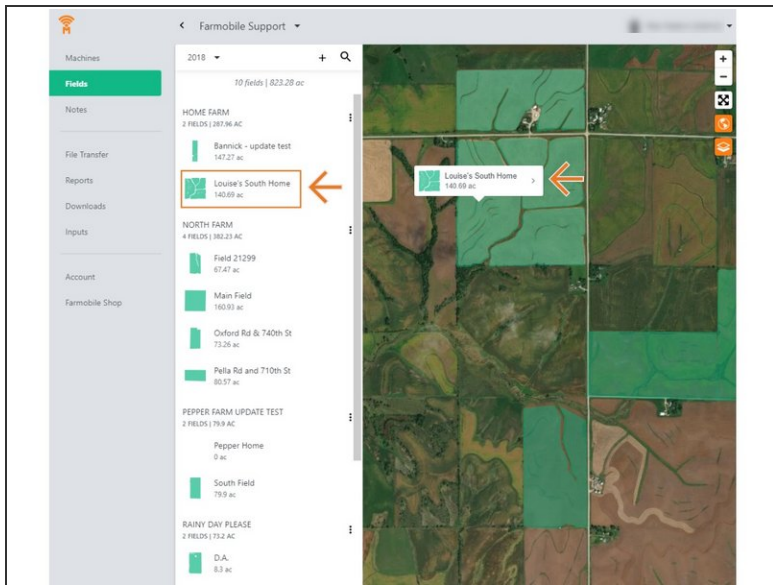

## Step 1 — Select Fields from the Farmobile DataEngine<sup>SM</sup> Menu

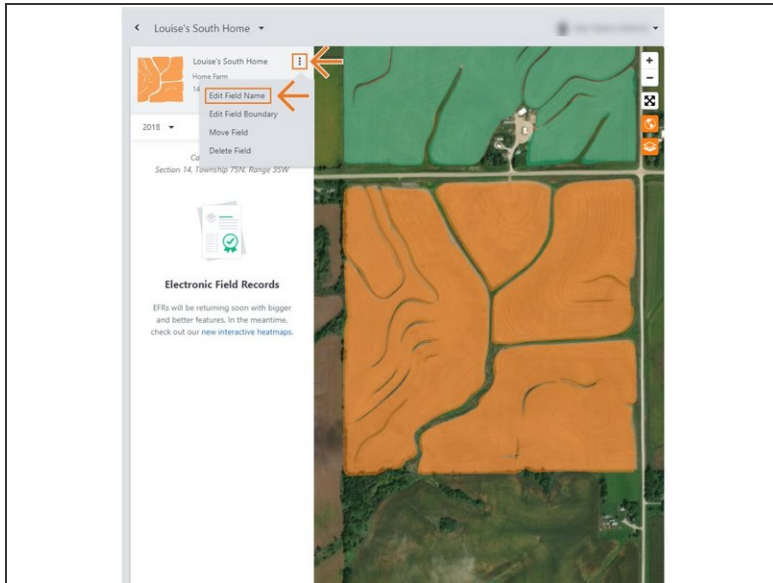

- Selecting Fields from the Farmobile DataEngine menu will open the Fields page with all of your Farms and Fields listed and displayed on the map.

## Step 2 — Select a Field

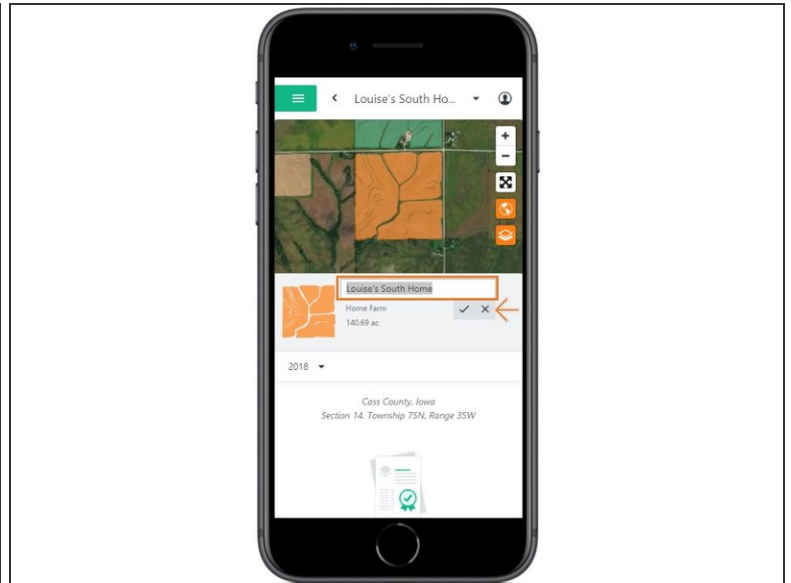

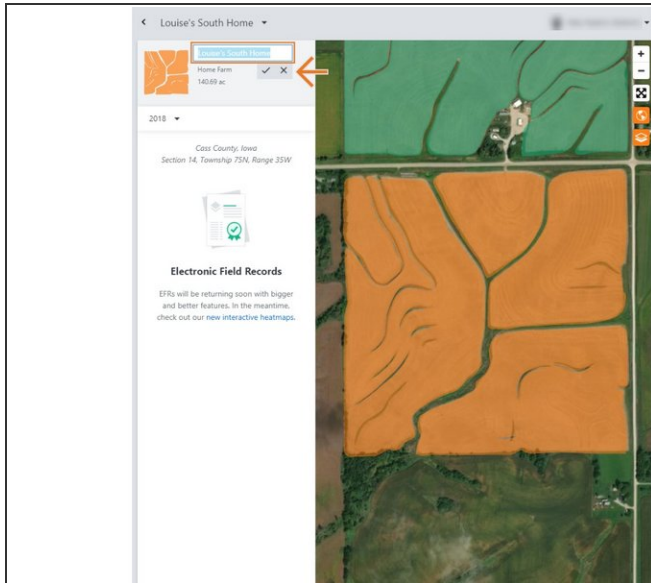

- Select a field to open the field details page.
  - Click on a field within your field list.
  - Or, select a boundary on the map to open the pop-up. Then select the pop-up.
- The field details page will open with the selected field highlighted orange.

## Step 3 — Select Edit Field Name

- Select the ellipse button next to the field name.
- In the menu, select 'Edit Field Name'.
- This will open the in-line editor on the current field name.

## Step 4 — Edit the Name and Save

- Update the field name within the in-line editor.
- Select the checkbox to save the edit.
- Select the 'X' box to cancel the edit.
