INTRODUCTION

- Live Machine Adjustments are only available at the Machine level.
- Activity Adjustments carry forward to the end of the day.
    - Per PUC.
- The type of Activity Adjustment you can make depends on the current activity type:
    - Operating: From Operating to Planting, Tillage, Harvesting, Foraging, Spraying, Spreading, or Bailing.
    - Planting: From Planting to Spraying, Spreading, or Operating.
    - Harvest: From Harvest to Operating.
    - Spreading: From Spreading to Spraying, Planting, or Operating.
    - Spraying: From Spraying to Spreading, Planting, or Operating

Step 4 — Make Activity Adjustment and Save

- Click the 'Activity' drop down menu, and select a different activity type.

- Select 'Now' or 'Startup' to apply the adjustment at the correct time.

- Select 'Save'.

- The live screen and machine activity label will update and display the new activity type.
